Re: 2012 15 hp  
Mercury Outboard  
4-stroke I always  
change the filter when  
I change the oil. Every  
50 hrs I think, chep  
insurance. I do use  
synthetic oil in my  
older 4-stroke but not  
until after the warranty  
period is over. I always  
use the recommended  
oil until warrany  
expired and then I  
change to synthetic.

## **(4-STROKE) Manuals | ManualsLib**

The new Mercury FourStroke 15 HP and 20 HP outboards offer an adjustable tiller handle designed to enhance comfort and control for small-boat owners. The tiller is one of those “why did it take so long” innovations that seems like an obvious idea now, but required tossing overboard decades of traditional
