### **Agricultural Land Redistribution Toward Greater**

Abstract The main focus of this book is land redistribution. To forge greater consensus among practitioners of land reform, and to enable them to make better choices among the many options, the book describes and analyzes alternative broad paths of implementation, using examples and the detailed implementation mechanisms that were used in those examples.

### **Agricultural Land Redistribution : Toward Greater Consensus**

"Agricultural Land Redistribution: Toward Greater Consensus addresses a major policy dilemma: how to benefit from the development gains agricultural land redistribution is expected to generate while avoiding the losses caused by the highly imperfect ways redistribution is generally implemented. The authors address this issue through a broad ...

The effects of land reforms on farm size and agricultural productivity. Land reforms, whilst well-intended, misallocate land and labour across farms, thereby reducing average farm size and agricultural productivity. Land reforms, the policies often associated with the redistribution of agricultural land from the land-rich to the land-poor or landless, have been one of the most active areas of agricultural policy initiatives in the developing world in the post-WWII period.

The strategic objectives of the sub-programme include: contributing to the redistribution of 30 % of the country's agricultural land over 15 years; improving nutrition and incomes of the rural poor who want to farm on any scale; de-congesting overcrowded former homeland areas; and expanding opportunities for women and young people who stay in rural areas.

### **Land Redistribution for Agricultural Development**

The intent of the present document Towards a Better Distribution of Land: the Challenge of Agrarian Reform is to increase and quicken awareness of the dramatic human, social and ethical problems caused by the phenomenon of the concentration and misappropriation of land. These problems affect the dignity of millions of persons and deprive the world of the possibility of peace.
