environmental agenda definition | English definition ...

Finding the best means of developing and financing urban environmental initiatives that address both the Brown Agenda and the Green Agenda remains a major challenge. In principle, urban environmental initiatives could reconcile the two by analyzing the conflicts and complementarities between them and by designing measures that avoid the first and build on the second.

Is the 'Green Agenda' appropriate in poor cities?

The agenda is a commitment to eradicate poverty and achieve sustainable development by 2030 worldwide. It includes 17 Sustainable Development Goals (SDGs) and 169 targets. EU's implementation of the Sustainable Development Goals (SDGs)
