### **Between Sundays Black Women And**

To be a black woman of faith in the American South is to understand and experience spirituality in a particular way. How this understanding expresses itself in everyday practices of faith is the subject of *Between Sundays*, an innovative work that takes readers beyond common misconceptions and narrow assumptions about black religion and into the actual complexities of African American women's spiritual lives.

Between Sundays is excellent for anyone interested in race and ethnic relations, black feminist theory, women and gender studies, religion and religiosity, class, rural studies, and activism, and how they intersect. It is rare to find a work as finely written as this and that puts a human face on so many sociological concepts and categories."

Between Sundays : Black women and everyday struggles of faith. [Marla Faye Frederick] -- Takes readers beyond common misconceptions and narrow assumptions about black religion into the actual complexities of African American women's spiritual lives.

**Between Sundays : Black women and everyday struggles of ...**

Between Sundays explores the role of spirituality in the cultural production of activism in the lives of African American women in northeastern North Carolina, a poor, rural area of the U. S. South. "Spirituality" provides a space for creative agency, which gives voice to the multifaceted ways in which women interpret, inform, and reshape their social conditions.
