Beyond The Checklist What Else

"Beyond the Checklist recognizes that it takes more than just the standardized execution of processes to create a culture of safety. As the authors reveal, the team intelligence needed in more hospitals can flourish only in a workplace environment where there is proper training, mutual respect, and real cooperation among coworkers."

Beyond the Checklist - Beyond the Checklist

Beyond the Checklist heralds a new kind of hospital workplace—one that's already been flight-tested. The dysfunctions of our health care system are tragic and unnecessary, but they can be fixed. The dysfunctions of our health care system are tragic and unnecessary, but they can be fixed.

Beyond the Checklist: What Else Health Care Can Learn from ...

Beyond the Checklist argues that lives could be saved and patient care enhanced by adapting the relevant lessons of aviation safety and teamwork. In response to a series of human-error caused crashes, the airline industry developed the system of job training and information sharing known as Crew Resource Management (CRM).
