Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

### Water Cooler Troubleshooting Guide | The Water Delivery ...

To fix or prevent such a problem the bottle should be placed away from direct sunlight or secondary sunlight. Shafts of light can reflect off kitchen sinks and shinny fridges. If the customer cleans the bottle every month it will be difficult for grime to build up at the base of the bottom bottle. Covers for cooler bottles can be helpful.

### AWESOME Water HELP LINE & REPAIR MANUAL

Close the door and verify that the lock brackets on the side of the panel align with the slots on the mounting frame. If adjustments need to be made, open the doors to make adjustments. Open panels for adjustments. Loosen the (4) screws on the hinges of each panel and adjust accordingly and then re-tighten screws.

### Installation/Care/Use Manual

When full, the wine cooler becomes heavy, so place it on a strong, level floor. Maintain air circulation if you run into problems. Allow 5 inches of space between the back of the wine cooler and any wall. Avoid locating the Danby wine cooler in direct sunlight if you see defects appearing in the acrylic coating.
