This ADVANTAGE SERIES edition of Swokowski's text is a truly valuable selection. Groundbreaking in every way when first published, this book is a simple, straightforward, direct calculus text. Its popularity is directly due to its broad use of applications, the easy-to-understand writing style, and the wealth of examples and exercises, which reinforce conceptualization of the subject matter.

I strongly recommend any of Swokowski's Calculus books. He explains the material, and provides easily understandable proofs and theorems. Other text books tend to be heavy with problems where the answers have a lot to do with remembering tricks from earlier math courses. Swokowski focuses on Calculus.

Thank God, this book alone taught me calculus. During my 2nd to 3rd years in faculty of engineering, I used this book for studying, learning and exercising. I didn't understand anything from the lecture, because the education quality (both books and lectures) in Egypt is very bad.
