### Classic Boat Engines and Engine Parts / Supplies

Chris-Craft Boats was an American manufacturer of boats that was founded by Christopher Columbus Smith (1861-1939). The company was sold by the Smith family in 1960 to NAFI Corporation, which changed its name to Chris-Craft Industries in 1962. The current successor is Chris-Craft Corporation, which produces motorboats under the Chris-Craft name.

Classic Chris Craft Engines Start at the inside, and work your way out. If you buy a rebuilt engine from us, it will come to you with a new head gasket, and the head will already be torqued for the first time. Run the engine in your shop before installing it in the boat, and as soon as it reaches running temperature, torque it for a second time.
