Crusader Marine Engines

Crusader's engines aren't widely used for race boat engine conversions like its competitors engines are, probably because

Download Ebook Crusader Marine Engines Reviews

Crusader doesn't get involved with the racing crowd. But it is interesting to note that when its competitor's engines are used by the race engine builders, they always add stabilizers to the main bearing caps.

Download Ebook Crusader Marine Engines Reviews

Crusader Engines fail. He is not an internet guy so asked if I would check to see if there is anything on the net about problems. I don't have all the details, but the boat is approximately 35' with two inboard crusaders. If I have the story correct, water has made it into the cylinders through an exhaust manifold.
