It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

3) ECAM 22.110 has more adjustments, it makes a bit more bitter and a bit more hot coffee if compared to Saeco/Gaggia. Some like it, some not. Surely, you can always change the coffee beans, which will give no bitterness even on DeLonghi (and vice versa). Overall, ECAM 22.110 is the most functional in your list (because of more adjustments).
