Summary. An Introduction to Theories of Popular Culture is the essential guide to the major theories of popular culture. Dominic Strinati examines the ways in which these theories have tried to understand and evaluate popular culture in modern societies. Among the theories and ideas the book introduces are mass culture, the Frankfurt School and the culture industry, semiology and structuralism, Marxism, feminism, post modernism and cultural populism.

Different Definitions of Popular Culture In his wildly successful textbook "Cultural Theory and Popular Culture" (now in its 8th edition), British media specialist John Storey offers six different definitions of popular culture. Popular culture is simply culture that is widely favored or well-liked by many people: it has no negative connotations.

THEORIES OF CULTURE REVISITED Roger M. Keesing If radical alterity did not exist, it would be anthropology's project to invent it. I believe that the radical alterity we have sought has not existed for many millenia. The tribal world in which we have situated that alterity - the world of Uvi- Strauss's 'cold societies' - was our anthropological invention.
