Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Acing the ETCP Rigging Exam « Stage Directions

Hey there! I'm a quadruple certified rigger/electrician (one of only 5 in the world!). The tests all gave different pass thresholds, but I think the 92 that was quoted is for electricians. Rigging is either 102 or 114. In that range. What I can say for your score: the practice tests help, many of the questions are word for word on the test.
