Tag: Formwork a guide to good practice. A guide to visual and architectural concrete finishes. Posted on 12th August 2019(18th August 2019) by Doka UK. Doka UK 12 August 2019-. A clear trend is ‘surfacing’ in the language of architecture, towards concepts that are as individual as they are unique. Buildings are being asked to convey interesting forms of expression both inside and outside in an attempt to not only provide functional spaces but also social and visually appealing places [...]
