Geran van den Burgt (born 1 January 1990) is a Norwegian football midfielder who currently plays for Ready.. His father is Dutch. He started his career in Bjerkealliansen, but joined FC Lyn Oslo at the age of fifteen. He was the team captain of their U-20 team. In the summer of 2008 he gave up Lyn, and signed for Bærum SK, but ahead of the 2009 season he was signed by Lyn's senior team.

Geran van den Burgt - Wikipedia
Finally we suggest that the higher repeat content of the C. fulvum genome, along with evidence for gene pseudogenization (van der Burgt A et al., unpublished data) has facilitated the evolution of different lifestyles between C. fulvum and its sister species D. septosporum. Overall, our comparison of the two genomes suggests that even closely related plant pathogens could adapt to very different hosts and lifestyles by differentiating gene content and regulation, whilst retaining genetic ...

Considerable progress has recently been made in understanding adventitious root formation using physiological studies. It is recognized that rooting is a process consisting of distinct phases, each with its own requirements. In this review, the successive phases in the rooting process are described and the possible roles of wounding-related compounds, auxin, ethylene and phenolic compounds ...
