Overview. A mind-bending novel from the author of *Life A User's Manual*. A Void is a great linguistic adventure and a metaphysical whodunit, chock-full of plots and subplots, of trails in pursuit of trails, all of displays Georges Perec's virtuosity as a verbal magician. It is also an outrageous verbal stunt: a 300-page novel that never once employs the letter E.

A Void by Georges Perec, Paperback | Barnes & Noble®

A Void is an unnerving but insanely compelling work, and one which is rather hard to compare with anything else. It does have some similarities with Perec's later classic *Life A User's Manual*, but it will never be as popular. Adair deserves special praise for translating a work which poses such unusual difficulties; one almost feels he should have been credited as a co-author.

Georges Perec Excerpt. From "A Void". (one of Haig's favourite passages) Noon rings out. A wasp, making an ominous sound, a sound akin to a klaxon or a tocsin, flits about. Augustus, who has had a bad night, sits up blinking and purblind. Oh what was that word (is his thought) that ran through my brain all night, that idiotic word that, hard as I'd try to pin it down, was always just an inch or two out of my grasp - fowl or foul or Vow or Voyal? - a word which, by association, brought into ...
