Nudist! (Summer, 2009) My family became nudist last summer. We built a pool three years ago and at night I would take off my suit and swim nude. I loved it. One of my boys came to ask something. He never asked, instead he shouted "Mom you aren't wearing anything." We talk about skinny dipping that night.

We are a large family on a journey to become a minimalist family. I hope our story will be insightful for you, whether you consider your family a minimalist family or not. It is possible to own fewer things even if you have a bunch of kids. Just ask Leo Babauta. My wife and I got married in 2005. We had our first child almost immediately.

Some adults have a family with just one parent because their father or mother might have died or their parent is divorced.

Sometimes children are adopted into a new family. And there are some children who live in a house with many children we call an orphanage because both their parents might have died and there was no one else
