HP Designjet 130

HP Designjet 130 | HP®

Imagine, the 130 having paper feed problems! Anyway, my 130 won't accept any paper anymore. I can try to feed it with roll or sheet in the back and it will accept it, check alignment, but then when it tries to roll it back out the back it jams, even with paper sticking out the back. I can try to feed it in the front and it won't sense it.
