Need to translate "insalate" from Italian? Here's what it means.

What does insalate mean in Italian? - WordHippo

In reality, insulation merely slows the transfer of heat through the insulated barrier (wall, ceiling, floor, etc.). There is a school of thought that maintains that an unheated garage that is attached to the house may get some benefit from insulating the walls and ceilings of the garage since it theoretically offers an additional thermal buffer between the exterior of the home and the outdoors.
