by George Page This  
book, Inside the Animal

Mind by George Page,  
starts off by illustrating  
the relationship

between animals and  
people. The author  
starts the discussion in  
ancient times by

describing our  
neanderthal ancestors  
reliance on animals for  
daily survival.

players know that there's a whole lot more to winning than experience, dedication, or mathematical abilities alone. Poker psychology encompasses all of these disciplines and more. Skilled poker players understand the importance of synergy in poker; individual components working together for the greater good.
