La130 Owners Manual Deere

Companies are making it impossible to fix their devices, so we end up throwing away perfectly good tech. This is causing billions of tons in e-waste.

Broken tech is causing a mounting environmental disaster. It's time for tech companies to give us the right to repair our stuff instead of needing to throw it away.

Flaws uncovered in tractor manufacturer John Deere's systems underscore the cyber risks that come with the productivity gains from high-tech farming. John Deere ...

Flaws in John Deere Systems Show Agriculture's Cyber Risk

As software and other technologies get infused in more and more products, manufacturers are increasingly making those products difficult to repair, potentially costing business owners time and money.

Businesses lose money without 'right to repair'
