Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

My Outdoor Life Kindle Edition

I really enjoy my outdoor life subscription. Every issue makes me excited to get out of the house and try something new. Definitely as much or more advice and stories than product placement, which is a welcome change from most hunting and fishing periodicals.

Outdoor Living Books - goodreads.com

Most books I read once: some twice; this one I have read 3 times and am ready to read it again. It is the essence of the outdoor life for those of us who still think like a kid and want nothing more than wade a creek, paddle a canoe, or find a wing shooting paradise. I can't get enough of reading it and of living it.
