Generator Maintenance
If you want your generator to last a long time, it is important to properly maintain it. If you lack the ability to do it yourself, then you must take it to someone who can do it for you.

Each Cummins
Generator has a
model/spec number
description, which is
shown on the serial
number tag attached
to the generator. Here
is a representation of
the tag on Onan QG
4000. Note the
highlighted letter code,
in this case P, which

Bookmark File
