Hello, I'd need some help please : I'm looking for the wiring diagram (DME module with oxygen sensors) for my 996 2001. I already have the one for 99-00 but it has changed in 2001. The DME unit is not the same.... In fact I just need a picture of the wires linked to the plugs of the "behind" oxygen sensors to compare the color of the wires.
