Your photographer will guide you in this area, especially if the picture is a portrait and will include your hands or whole body. Pushing your chin out slightly will separate your face from your ...

6 Headshot Tips: Advice to Give Your Clients for a ...

Some portrait photographers go as far as eliminating left and right from their vocabulary altogether and instead use "this way" or "that way" along with a simple hand gesture. Pro Tip: When using your hand to make a gesture, always have the back of your hand facing your client. Putting you palm to someone's face can appear rude.

A Portrait Photographer's Guide To Coaching Clients ...

Preparing For Your Portrait Session Preparing for a portrait session takes a lot of work and I frequently receive questions from clients about what to

wear and bring to their session. As your photographer, it's important to me that you look your best in your photos and that the photos are full of your personality and style.
