Section 8 of the Housing Act of 1937 (42 U.S.C. § 1437f), often called Section 8, as repeatedly amended, authorizes the payment of rental housing assistance to private landlords on behalf of low-income households in the United States. Fort Lauderdale, Florida Housing Authority Director William H. Lindsey, upon the advice of Housing Authority attorney J. Richard Smith, initially developed 11(b ...

Section 8 (housing) - Wikipedia

Therefore, in considering the question of when a new human life begins, we must first address the more fundamental question of when a new cell, distinct from sperm and egg, comes into existence. The scientific basis for distinguishing one cell type from another rests on two criteria: differences in what something is made of (its molecular composition) and differences in how the cell behaves.
