I think it was no small accomplishment that Stephanie Grace Whitson was able to weave a romantic story with not just 2 main characters but 4 fairly solid couples. It was a delight to read, with each chapter heading relaying a corresponding Scripture verse that added to the action of the story.

"*Sixteen Brides*" by Stephanie Grace Whitson (again) This is such a delightful book. I loved it the first time I read it, and I loved again this time through. Don't be worried by the thought of sixteen main characters to follow. Whitson does not put her readers (or herself) through that sort of Tolstoy-esque torment.

Sixteen Brides I absolutely fell in love with this cast of characters. Hettie, Caroline, Ruth, Zita, Ella, Martha, and Linny are the most downright beautiful women I have met since reading my last Stephanie Grace Whitson novel. Her way of weaving God's message into the lives of early homesteaders is wondrous. She is my new fav author.
