"Mobile phones have become an indispensable part of our lives." The sentence as it is phrased is saying mobile phones as a group of things are only one of many parts or aspects of our lives, but they are a part that is indispensable. I might say "My pets are an important part of my life." so the fact that "lives" is plural isn't really relevant.

### grammar - Why we use a singular name "part" instead of ...

The second uses part in a countable noun sense that means "an amount, but not all, of a thing or a number of things". The first uses part in an uncountable noun that means "some, a part or some parts [in the previous

sense]". Because it is uncountable it is used with singular accord\*
