### **Sonoma County Joint Powers Authority**

A Joint Powers Authority "Working together for a safer Sonoma County" "To operate, maintain and improve a public safety communication and data management system comprised of Computer Aided Dispatch (CAD), Records Management System (RMS) and Mobile Data Computing (MDC) technology among the County, cities, districts and other public entities within Sonoma County."

### **Sonoma County Public Safety Consortium**

If it moves forward Sonoma Clean Power would be formed as a joint powers authority. What would Sonoma Clean Power's Joint Powers Authority look like? The initial joint powers authority for Sonoma Clean Power would be composed of the Sonoma County Water Agency and the County of Sonoma. The previous plan was to form Sonoma Clean Power through a JPA, which included the eight eligible Sonoma County cities. This process would be very lengthy and complex, likely taking a year or more to complete.

### **Sonoma County Joint Powers Authority**

In 2008 the Sonoma County Public Safety Consortium (SCPSC), a joint powers authority, was formed to enable local public safety agencies to share crime-related information and provide Computer Aided Dispatch and Records Management System software as well as mobile data units in vehicles. In 1996, the law enforcement agencies of Sonoma County began to examine their automated information systems with a critical eye.
