I loved reading *Speak to Win*. Brian Tracy is a true professional influential presenter. What I liked best about this book was the numerous helpful tips and examples Brian Tracy shared to illustrate each point for further enhancing efforts of how to present yourself to others (whether that audience be one person or a group). Highly recommend!

## **Paraliminals | Talking to Win**

They account for a portion of the rules for all punctuation. English Verb - To Win. Infinitive- to win. Present participle- winning. Past participle- won. 1. Present Tense. Singular. I win.

## **English Verb - To Win - Writing English**

There will be the odd occasion when you need to speak your mind or share a point of view that others might disagree with. In which case, keep things light but be open and honest. You have to remember that being charming isn't about 'people-pleasing'. You still have to believe in yourself and your principles.

## **12 rules on how to charm anyone and win people over ...**

Divide your speech into main points of emphasis. Think about the arguments and points you want to discuss on your subject and organize them in a way that flows naturally. Aim to have 2-3 main talking points in your speech that are well-researched so your audience knows you're an expert on the subject.
