classified as 'scheduled tribes'.

## **Adivasis - Minority Rights Group**

Adivasis is the collective name used for the many indigenous peoples of India. The term Adivasi derives from the Hindi word 'adi' which means of earliest times or from the beginning and 'vasi' meaning inhabitant or resident, and it was coined in the 1930s, largely a consequence of a political movement to forge a sense of identity among the various indigenous peoples of India.

## **World Directory of Minorities and Indigenous Peoples ...**

Bijoy (2003) writes: The 67.7 million people belonging to 'Scheduled Tribe' in India are generally considered to be 'Adivasi', literally meaning 'Indigenous People' or original inhabitants, though the term 'Scheduled Tribe' (ST) is not coterminous with the term 'Adivasi'.

estimated population of 104 million, they comprise 8.6% of the total population. There are, however, many more ethnic groups that would qualify for Scheduled Tribe status but which are not officially recognised; as a result estimates of the total number of tribal groups are higher than the official figure.

### **India - IWGIA - International Work Group for Indigenous ...**

Different national and international NGOs, aid/development organizations, and state agencies in Bangladesh and abroad observe the day every year with a pledge to develop the indigenous peoples/adivasis of the world. However, critical analyses of the national and international discourses centring adivasis reveal more of pretence than substance.

### **OP-ED: How indigenous communities have been pushed to the ...**

The book surveys how indigenous peoples—having historically been viewed by international law and those that created the law alike as mere ‘ghosts in their own landscapes’—have recently emerged as international legal subjects and possessors of both sovereign (self-determination) and private (property) rights over territories. The work analyses and presents the rights indigenous peoples ...
