#### **Congress | US News**

To the average person, the process of getting a bill through Congress may seem highly complex and technical. Actually, the process itself is fairly simple. What can be confusing to the layperson is (1) the volume of legislation pending before Congress and (2) the system Congress has for distributing its work.

- AACOM**

Today one might more accurately say that Congress is mainly at work in its subcommittees.

Especially in the House, major bills are often considered by a number of subcommittees of different committees.
