In other words, the story of The Walking Dead presents a case study in both natural law and social contract theory. This fascinates me to no end, especially when these theories are so reflective of human nature that the writers, directors, producers, and cast members are probably acting out this case study unintentionally.

Photo: LucasFilm. Long-dead actors continue to achieve a sort of immortality in their films. A new controversy over dead actors is coming to life based upon new uses of visual effects and computer-generated imagery (CGI). Instead of simply using CGI to create stunning action sequences, gorgeous backdrops, and imaginary monsters, film makers have started to use its technological wonders to bring back actors from the grave.
