The Web Application Hacker's Handbook, 2nd Edition **[Book]**

The Web Application Hacker's Handbook. For over a decade, The Web Application Hacker's Handbook (WAHH) has been the de facto standard reference book for people who are learning about web security. Very many people have asked for a third edition of WAHH. But rather than produce another printed book with non-interactive content that slowly goes out of date, we've decided to create the Web Security Academy instead.
