page, or in some cases needing to put something like "This page is intentionally left blank" in the book. Nevertheless, you'll still occasionally see this text in some bound works, again in these cases generally only put there in cases where the editor in question thinks the reader might think the page was not supposed to be blank.

Why are Some Pages "Intentionally Left Blank" and Why Do ...

Go to View > Tools > Pages (or click the Tools text on the right of the menu bar and then expand the Pages option). Click Watermark. Select Add Watermark. On the Add Watermark window, choose your settings. In the example below, I've entered 'This page intentionally left blank' as the watermark text and set the font, font color, and font size.

Inserting a 'This page intentionally left blank' message ...

Technically, saying the page 'is' intentionally blank softly implies that something might happen to change its state. "He is President." "He is alive." "This is my dog." "The test is today." are all basic examples of this. Sooner or later, they will all stop being true, due to passage of time. It is fine to say the "This page intentionally left blank."

grammar - This page intentionally left blank - English ...

If you might accidentally leave the page blank, you might accidentally insert a page This page left intentionally blank where a proper page should be (for example, a misfeed in a collating machine). A better way of expressing a blank page would be to have the page number and document title in the header/footer as usual, which in itself confirms that the page has not simply skipped the printing process.

This page intentionally left blank

We live, as the Chinese curse (which isn't a Chinese curse) says, in interesting times. Covid, Brexit, tensions between global and regional powers, violent extremism, climate change, endemic inequality. I think back over my own life, and I've never lived in anything but 'interesting times', starting with the Cold War and moving through a multitude...

This Page Left Intentionally Blank. ... An actual blank page needn't announce itself—it's merely blank. Likewise for a simple life—it's simple not because it reports to be, but because of what's there, and what isn't. Subscribe to The Minimalists via email. SHARE.

This Page Left Intentionally Blank | The Minimalists

The "Intentionally left blank" appears both in case it is necessary and in case it isn't requested. The "Intentionally left blank" appears as last even page and it is added when the compiled (from database) pages stop at number e.g. "11". The system, with your procedure, add the "ILB page" at page number "12". It is right.
