Trans Bodies Selves A Resource

"Trans Bodies, Trans Selves is the answer to the wishes of many trans individuals and their therapists and counselors for a comprehensive resource of critical information that is both accurate and reliable, on the one hand, and written in a respectful way that is addressed to trans and questioning readers rather than at them or about them. I wholeheartedly recommend this book."

Amazon.com: Trans Bodies, Trans Selves: A Resource for the ...

While trans people share many common experiences, there is immense diversity within trans communities. There are an estimated 700,000 transgendered individuals in the US and 15 million worldwide. Even still, there's been a notable lack of organized information for this sizable group. Trans Bodies, Trans Selves is a revolutionary resource-a comprehensive, reader-friendly guide for transgender people, with each chapter written by transgender or genderqueer authors.

'Trans Bodies, Trans Selves': A Modern Manual By And For ...

Thanks to “*Trans Bodies, Trans Selves*” and all the transgender folks who have been writing and teaching over the past many years, we, a group of cisgender women, now know that we can no longer say “a woman’s body” and mean only one thing. One person’s body may have a penis and testicles, and be a woman’s body.
