If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indio authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

### Unicorn Activity Pages for Kids | Woo! Jr. Kids Activities

I wanted to do something new, but had no idea what and kept hoping for inspiration. Then one day a young patron asked for unicorn books, and in the process of looking them up for her, I realized there were several more unicorn picture books out than the last time I was looking for them, so decided to use that for my theme.
