VAs are staff who do work for you, but who are not in the same location as you. They can take on a huge range of tasks, from accounting to office management, thus allowing business owners and leaders to concentrate on the work that they're best at and that matters most. By hiring VAs, they can enjoy what is known as virtual freedom.

Virtual Freedom by Chris C. Ducker

According to Ducker, entrepreneurs should hire virtual staff to manage tasks. This gives them the freedom to focus on bigger tasks and work on their business. Building a virtual team requires three steps; find and hire workers you trust, train those workers and then constantly manage your team.
