Waterloo Four Days That Changed

Waterloo was not a single battle it was a couple spread over four days what Tim Clayton explores in the book is how much battles are won not by brilliant strategy but by mistakes, jealousies and perhaps most of all in the an era where the postal service was still new, communication. What the book does particularly well is to mingle the giants of the conflict [Napoleon, Wellington, Blucher and Gneisenau] with the lives and experiences of the ordinary soldiers caught up in the maelstrom of the ...

Waterloo Four Days That Changed Europes Destiny

waterloo four days that changed europes destiny by tim clayton the 200th anniversary of the battle of waterloo produced a lot of new works and this is a cracking one a narrative history of the key four days with all the verve

waterloo four days that changed europes destiny

Despite the subtitle, "Four days that changed Europe's destiny" the book gives only relatively brief attention to the wider context of the battle, and in doing so assumes that it was necessarily important – as opposed to the counter-argument that given the relative strengths of France and the alliance Napoleon faced, he was bound to lose the campaign of 1815 even if he had won the first major battle.
