fitness. But, for most people, their primary reason for doing yoga will change. Two-thirds of yoga students and 85 percent of yoga teachers have a change of heart regarding why they do yoga-- most often changing to spirituality or self-actualization, a sense of fulfilling their potential.

### **Why Do People Do Yoga? | HuffPost Life**

1. You've started saying you're "practicing asana" instead of "doing yoga." You now see that yoga is so much more than bending and flexing your body. You fully appreciate and respect the physical asana practice, but you know that it's just one part of the whole. 2. You don't have a home yoga studio — because your home is a studio.
