Halse Anderson's writing style is absolutely intriguing and poetic. I have read other books written by her, and I am truly a great fan. Laurie Halse Anderson is a very talented writer and certainly could have lent her skills to even a slightly different tale to be unique. The other issue I had with this book was how much it, well, GLORIFIED being skinny, being anorexic, how wonderful it was to be under 100 lbs, etc. Also it made self harm glamorous as well.
